*All Stars Hip-Hop Cabaret* combines the political tradition of European cabaret with the energy, creativity and street smarts of contemporary hip-hop culture. Drawing its performers from the All Stars Talent Show Network and the other youth programs of the All Stars Project, the Hip-Hop Cabaret brings together young rappers, singers, dancers and spoken word artists, and provides a venue and a process through which they can develop their professional skills and discover what they have to say about their lives and the world. The all-male cast of this, the seventh All Stars Hip-Hop Cabaret, breaks new ground, tackling the challenges of being a young man of color in our society. It's a tough sometimes provocative, always entertaining; look at the world through the eyes of five young men from Bronx, Brooklyn and Queens.
