Announcement

2019 Election of 1199SEIU Officers, Organizers, Executive Council Members and Delegates

This coming April 2019, the members of 1199SEIU United Healthcare Workers East will again be electing our Union's officers, organizers, Executive Council members and, of course, delegates from each of our institutions. On a Union-wide basis members will be voting for the offices of President, Secretary-Treasurer, sixteen (16) Executive Vice Presidents, twelve (12) Vice Presidents at-large and two (2) Organizers at-large (assigned to New Organizing).

In each of the 55 Areas in our Union, members will elect an Area Vice President as well as one rank-and-file Executive Council member (except in the following Areas: Home Care A, B, C and Upstate/WNY-Central NY where there will be two (2) rank-and-file Executive Council members per Area). Also, on an Area-wide basis, elections will be held for organizers. The number of organizers to be elected in each Area appears on the chart following this article.

ELECTION BOARD

At our November Executive Council meeting, an Election Board, consisting of 20 members and 20 alternates, was appointed, based on recommendations from each Region. The Board has constitutional authority to run the upcoming elections. At its first meeting the Board adopted the initial rules for conducting the election. Its decisions on the method, dates, times and locations of voting, as well as other rules affecting the election, are published in this and subsequent editions of the *1199 Magazine* or otherwise communicated to our membership.

The eligibility requirements to run for office as an officer, organizer or Executive Council member are set forth in the 1199SEIU Constitution. The Constitution requires that a candidate for such position must be a member of the Union in good standing for at least one (1) year prior to the election.

To be nominated as a candidate for a position as a union-wide officer or organizer one must obtain the signatures and last 4 digits of social security numbers of no less than 1 percent (1%) of the union-wide membership in good standing. To be nominated as a candidate for an Area position, one must obtain the signatures and last 4 digits of no less than 2 percent (2%) of the appropriate area's members in good standing (determined as of the October preceding the election—i.e. October, 2018).

This means that members who wish to be candidates for President, Secretary-Treasurer, Executive Vice President, Vice President at Large or Organizer at Large (union-wide positions) must obtain the signatures with social security numbers (last 4 digits) of 1 percent (1%) of the membership in good standing of

the entire Union (i.e. **2,766 signatures**). Members running for Vice-President, Organizer or Rank-and-File Executive Council member for an Area must obtain signatures and social security numbers (last 4 digits) of 2 percent (2%) of the members in good standing of the Area. The 2% figures for each Area are set forth on the chart inside.

To be a candidate for Executive Council member representing the **Retired Members Division**, one must obtain signatures and social security numbers of 2 percent (2%) of the members in good standing of the Retired Members Division (i.e. **275 signatures**).

WHO CAN NOMINATE CANDIDATES

Every member in good standing of 1199SEIU has the right to sign nominating petitions. Please be sure, however, to sign only one petition for each candidate.

At the end of this article there is a chart showing the institutions in each Area, the number of organizers to be elected, and the number of signatures needed to nominate candidates for Area positions.

DEADLINE FOR NOMINATIONS

All nominating petitions for the positions of Officer, organizer or Executive Council member must be filed with the Election Board **on or before February 27, 2019**. The petitions may be filed up to 7:00 p.m. of that day at 1199SEIU headquarters and at regional offices listed above.

February 27, 2019 is a final deadline (except for 1199 Delegate petitions; see below). You are urged to file petitions as soon as they are completed, so the Election Board can begin the process of certifying candidates as early as possible. Obtain a receipt for each nominating petition filed. Also, all candidates must file a confirmation of candidacy form. These forms can be filed at the same times and locations as nominating petitions, and must also be submitted no later than February 27.

CHALLENGES TO PETITIONS

The Election Board will resolve any questions about the sufficiency of the signatures on the nominating petitions, about the qualification of an individual to be a candidate for a particular office, or any other question relating to the nominating process and certification of candidates. The Election Board will determine the procedures for challenging nominations or appealing its rulings and will make these procedures available at all petitioning locations, beginning on Wednesday, January 30, 2019 at all times when nominating petitions are available.

NOMINATION OF 1199 DELEGATES

Also **beginning on January 30, 2019 but through March 13, 2019**, petitions will be available for use in nominating Delegates. These petitions will be available at the Union's NYC headquarters, 310 West 43rd Street, NYC on the 7th floor and in regional offices as listed above through February 27, 2019. After February 27, 2019 Delegate petitions will be available in the Delegates Department or regional offices during regular business hours. The last date to file nominating petitions for Delegates is **Wednesday, March 13, 2019**.

To be eligible as a candidate for a Delegate position one must be a member in good standing of 1199SEIU for at least six (6) months prior to the election, except if no member is qualified or wishes to serve, the eligibility requirement may be relaxed. A candidate for a Delegate position must obtain the **signatures of eight (8) members** in good standing from the group or department in which the member seeks election. However, in the Pharmacy and Human Services Areas only four signatures on a nominating petition for the position of Delegate are required. In order to be valid, signatures on a nominating petition for a Delegate must be accompanied by the last 4 digits of the member's social security number, institution and department.

Chapters may elect one (1) delegate for each thirty (30) members or any major fraction thereof in a department. Each group in the Pharmacy and Human Services Areas are entitled to elect a Delegate.

Additional rules to be followed in the conduct of these elections will be established by the Election Board and published in the *1199 Magazine* or otherwise made available.

Elección 2019 de Dirigentes, Organizadores, Miembros del Consejo Ejecutivo y Delegados

En abril del año 2019, los miembros del sindicato 1199SEIU Trabajadores de la Salud Unidos del Este volverán a elegir los dirigentes, organizadores, miembros del Consejo Ejecutivo, y, por supuesto, los Delegados de cada una de nuestras instituciones.

A nivel de sindicato, los miembros votarán por los puestos de Presidente, Secretario-Tesorero, dieciséis (16) Vicepresidentes ejecutivos, doce (12) Vicepresidentes de todo el sindicato y dos (2) organizadores de todo el sindicato [que se encargarán de Nuevas Organizaciones].

En cada una de las cincuenta y cinco (55) Áreas de nuestro sindicato, los miembros votarán por un Vicepresidente de Área así como un (1) miembro de base en el Consejo Ejecutivo del sindicato (con excepción de Cuidado en el Hogar (Home Care) de NY, las áreas A, B & C, y el área de centro NY (Upstate/WNY Central NY), en las que habrán dos (2) representantes de base por Área). También, a nivel de Área se celebrarán elecciones para organizadores. El número de organizadores a elegir en cada Área aparece en el cuadro que sigue el presente artículo.

JUNTA ELECTORAL

En su reunión el pasado noviembre, el Consejo Ejecutivo del sindicato nombró una Junta Electoral compuesta de veinte (20) miembros y veinte (20) alternos, basándose en las recomendaciones de cada Región. La Junta Electoral dispone de la autoridad constitucional para supervisar las elecciones que se aproximan. Durante su primera reunión la Junta Electoral adoptó las reglas iniciales para la ejecución de las elecciones. Sus decisiones en cuanto al método, las fechas, horas y lugares de votación, así como las reglas que regirán el proceso, serán publicadas en una edición venidera del *Revista 1199 (1199 Magazine)* o divulgadas de otra forma a nuestra membresía.

Los requisitos de elegibilidad para postularse como candidato a un puesto de dirigente, miembro del Consejo Ejecutivo u organizador son establecidos en la Constitución de 1199SEIU. La Constitución establece que un candidato para tal puesto tiene que ser miembro en buena posición del sindicato desde por lo menos un año antes de la elección.

Para ser nominado como candidato a un puesto a nivel de todo el sindicato como de dirigente o organizador, el aspirante debe obtener las firmas con los últimos cuatro (4) números del seguro social de un mínimo de uno por ciento (1%) de los miembros relevantes en buena posición. Para ser nominado como candidato a un puesto elegido por Área, el aspirante debe tener las firmas con los últimos cuatro (4) números del seguro social de un mínimo de un dos por ciento (2%) de los miembros en buena posición del Área. El estatus de miembro en buena posición queda determinado a partir del mes de octubre previo a la elección (octubre del 2018).

Ello significa que los miembros deseosos de presentar su candidatura a puestos a nivel de todo el sindicato (es decir, Presidente, Secretario-Tesorero, Vicepresidente Ejecutivo, y Vicepresidente o organizador de todo el sindicato) deben obtener las firmas con los últimos cuatro (4) números del seguro social de un mínimo de uno por ciento (1%) de los miembros de todo el sindicato en buena posición (**es decir 2,766 firmas**). Los miembros que presentan su candidatura a puestos elegidos por Área (Vicepresidentes de una Área, miembro de base del Consejo Ejecutivo, organizador) deben obtener las firmas con los últimos cuatro (4) números del seguro social del 2 por ciento (2%) de los miembros en buena posición del Área (véase cuadro adentro).

Para presentar su candidatura a miembro del Consejo Ejecutivo representando a la División de Miembros Jubilados (Retired Members Division), es necesario obtener las firmas con los últimos cuatro (4) números del seguro social del 2 por ciento (2%) de los miembros en de la División de Miembros Jubilados en buena posición (**es decir 275 firmas**).

QUIENES PUEDEN NOMINAR CANDIDATOS

Cada miembro de la 1199SEIU en buena posición tiene derecho a firmar peticiones de candidatura. Favor tener cuidado, sin embargo, de firmar una sola petición por candidato para cada posición.

Al fin de este artículo, esta una tabla que enseña los institutos de cada Área, el número de organizadores que deben ser elegidos, y el número de firmas necesarias para nominar candidatos por los puestos de Área.

FECHA LIMITE PARA LAS NOMINACIONES

Todas las peticiones de nominación para los puestos de dirigente, organizador o miembro del Consejo Ejecutivo, deben ser sometidas a la Junta Electoral en o antes del 27 de febrero del 2019. Las peticiones pueden ser sometidas hasta las 7:00 p.m. de ese día en las oficinas centrales de 1199SEIU y en las oficinas regionales listadas arriba.

El 27 de febrero de 2019 es la fecha límite (con excepción de las peticiones para los delegados; vea abajo). Se recomienda sin embargo, que las peticiones sean sometidas tan pronto estén completas, cosa de que la Junta Electoral pueda iniciar el proceso de verificar firmas y certificación de candidatos lo más pronto posible. Por cada petición sometida, debe obtener un recibo del abajo de cada petición y guardarlo como verificación del entrega. Además, todo candidato debe someter un formulario que indique su deseo de postularse como candidato. Estos formularios deben ser presentados al mismo tiempo (y en el mismo lugar) que las peticiones de nominación, y deben ser sometidas a más tardar el 27 de febrero.

PARA IMPUGNAR LAS PETICIONES

La Junta Electoral resolverá cualquier duda sobre la cantidad suficiente de firmas en las peticiones de nominación o sobre la calificación de un individuo deseoso de postularse como candidato a un puesto en específico de la 1199SEIU o cualquier otra duda que trate del proceso de nominación y de certificación de candidatos. La Junta Electoral determinará los procedimientos y la hora y el lugar para escuchar objeciones a las nominaciones o para las apelaciones de sus decisiones. Copias de dichos procedimientos estarán disponibles a partir del 30 de enero de 2019, en todos los locales de petición, al mismo tiempo que los formularios de peticiones estarán disponibles

NOMINACIÓN DE DELEGADOS DE LA 1199SEIU

A partir de miércoles, el 30 de enero del 2019 y hasta el 13 de marzo del 2019, habrá peticiones que podrán usarse para la nominación de Delegados. Estas peticiones también estarán disponibles en las oficinas principales de la 1199SEIU, 310 West 43rd Street, New York, New York, en el piso 7, y en las oficinas regionales listadas arriba hasta el 27 de febrero del 2019, y en el Dept. de Delegados o las oficinas regionales desde el 27 de febrero. La fecha límite para las peticiones de nominaciones a Delegados es el **13 de marzo de 2019.**

Para ser elegible como candidato a Delegado es necesario ser miembro en buena posición de la 1199SEIU por un mínimo de seis (6) meses antes de la elección. Si no hay miembros calificados o no hay

candidatos para el puesto, entonces se modificarán los requisitos. Un miembro deseoso de presentar su candidatura como Delegado debe obtener las firmas de ocho (8) miembros en buena posición del grupo o departamento donde el miembro desea ser elegido. Sin embargo, en el capítulo de Farmacia y Servicios Humanos (Pharmacy and Human Services Area) solamente se requieren cuatro (4) firmas en una petición de nominación al puesto de Delegado. Para que sean válidas, cada firma en la petición de nominación a Delegado debe incluir los últimos cuatro (4) números del seguro social del miembro, su institución y su departamento.

Los capítulos pueden elegir un (1) delegado por cada treinta (30) miembros o cualquier fracción importante subsiguiente en un departamento. Cada grupo del capítulo de Farmacias y Servicios Humanos (Pharmacy and Human Services Area) tiene derecho a elegir un Delegado.

Cualquier reglamento adicional para la conducta de estas elecciones que establezca la Junta Electoral se divulgará en el *Revista 1199 (1199 Magazine)*.
