Critical Care Core Course Certification Exam Review

For CCRN Adult Certification

October 5th, 12th & 19th, 2019

1199SEIU Headquarters

310 West 43rd Street, New York, NY 10036
Check-in : 8:15 / Class begins: 9:00-4:30

1199SEIU League of Registered Nurses Office of Continuing Education fosters the professional growth and development of its RN members and the nursing community at large. We are committed to providing quality need-specific continuing education programs that are reflective of current issues and trends in healthcare and nursing.

1199 SEIU League of Registered Nurses
Office of Continuing Education is an
Accredited Provider of Continuing Nursing Education by the
American Nurses Credentialing Center's Commission on Accreditation.

Purpose: This Educational Activity will build upon the knowledge base of the experienced critical care nurses and help them prepare for passing the CCRN - Adult certification. It will also serve as a refresher course for those who are currently CCRN certified and wish to renew their certification by either contact hours or seating for the examination.

Target Audience: This course is designed for all experienced Critical Care Nurses who will be seating for CCRN Certification Examination for the first time, as well as those currently CCRN board certified seeking renewal.

Disclosure: The faculty, planner, and/or any staff of 1199 SEIU Office of Continuing Education have no financial relationship with any commercial agency or interest. The program faculty and planner do not endorse any product or products. In addition, there are no conflicts of interest on the part of the faculty as well as the planner of this educational activity, including and extending to family members to any commercial entity. Finally, no off-label uses of any kind are involved in this educational offering.

Instuctor: Maria Leah Cervantes RN, CCRN, MSN, NP-bc

Program Objectives

- Identify the components of the Board Certification of a CCRN Certification Examination.
- Discuss the disease process and plan of care using a nursing process approach for each of the common pathophysiologic disorders encountered in an adult in an ICU setting:
- Cardiovascular System
- Pulmonary System
- Neurologic system
- Renal System
- Gastrointestinal System
- Endocrine System
- Hematologic/Immunologic Systems
- Multisystem
- Discuss legal ethical aspects of critical care nursing.
- Review test questions related to critical care topics discussed under each system
