

Barrier Precautions and Infection Control Measures

**This class is 2.0 hours and you must attend the entire 2 hours so plan to arrive on time to avoid being turned away at the door and risk losing your contact hours*

The 1199SEIU, League of Registered Nurses, Office of Continuing Education is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation

The 1199SEIU League of Registered Nurses fosters the professional growth and development of its RN members and the nursing community at large. We are committed to providing quality need-specific continuing education programs that are reflective of current issues and trends in healthcare and nursing.

PURPOSE :

This seminar is offered to meet training requirements of Chapter 786 of the Laws of 1992 that states that certain healthcare professionals licensed in New York State must receive training on **Infection Control and Barrier Precautions** every 4 years unless otherwise exempted. This statute applies to: dental hygienists, dentists, licensed practical nurses, optometrists, physicians, physician assistants, podiatrists, registered nurses, and special assistants. The target audience are registered nurses and other licensed professionals who require this training

DISCLOSURE:

This educational activity is being offered with no commercial or financial support from any entity or agency. In addition, there are no conflicts of interest on the part of the faculty as well as the planner of this educational activity, including and extending to family members and any commercial entity. Finally, no off-label uses of any kind are involved in this educational offering.

Instructor: *Valentina Lavarias-Dayrit, MA, RN*

Program Highlights

-  *Understanding how blood-borne pathogens may be transmitted in the workplace; Patient to HCW, HCW to Patient*
-  *Current scientifically accepted infection control principles appropriate for specific work environments*
-  *Minimizing the opportunity of pathogens to patients and HCWs*
-  *Familiarizing professionals with the laws requiring this training & professional misconduct charges that may be applicable for not complying with the law.*

REGISTRATIONS FOR ELIGIBLE 1199 RNs: This educational benefit is FREE for all 1199 Registered Nurses whose employers contribute to the 1199 RN Training and Job Security Fund and who have been working as an RN at their institution for at least one year. You must attend 90% of the seminar if you're to receive a certificate of Attendance and your contact hours. So please plan your schedules accordingly so you can be on time.

- We do not accept registrations over the phone
- **To Register please fill out the registration form below (legibly and entirely) & fax it to Ms. Cunningham at 212.603-1140.**

If you haven't registered prior to the date of class, we recommend that you call in advance to find out if there is space available to accept walk-ins!
