

Barrier Precautions and Infection Control Measures

**This class is 3.0 hours and you must attend the entire 3 hours so plan to arrive on time to avoid being turned away at the door and risk losing your contact hours*

The 1199SEIU, League of Registered Nurses, Office of Continuing Education is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation

The 1199SEIU League of Registered Nurses fosters the professional growth and development of its RN members and the nursing community at large. We are committed to providing quality need-specific continuing education programs that are reflective of current issues and trends in healthcare and nursing.

Purpose:

This seminar is offered to meet training requirements of Chapter 786 of the Laws of 1992 that states that certain healthcare professionals licensed in New York State must receive training on **Infection Control and Barrier Precautions** every 4 years unless otherwise exempted. This statute applies to: **Dental Hygienists, Dentists, Licensed Practical Nurses, Optometrists, Physicians, Physician Assistants, Podiatrists, Registered Nurses, And Special Assistants**. The target audience are **Registered Nurses** and other **Licensed Professionals** who require this training

Disclosure:

This educational activity is being offered with no commercial or financial support from any entity or agency. In addition, there are no conflicts of interest on the part of the faculty as well as the planner of this educational activity, including and extending to family members and any commercial entity. Finally, no off-label uses of any kind are involved in this educational offering.

Instructor: Valentina Lavarias-Dayrit, MA, RN

Program Highlights

- ✚ Understanding how blood-borne pathogens may be transmitted in the workplace; Patient to HCW, HCW to Patient
- ✚ Current scientifically accepted infection control principles appropriate for specific work environments
- ✚ Minimizing the opportunity of pathogens to patients and HCWs
- ✚ Familiarizing professionals with the laws requiring this training & professional misconduct charges that may be applicable for not complying with the law.

REGISTRATION:

This educational benefit is **NO COST to 1199 Registered Nurses whose employer contribute to the 1199 RN Training and Upgrading Fund and have been there for 1 year.** If you are not certain if you work within an institution that qualifies please call us. **NOTE:** please cancel your registration at least **10 days prior to class** if you are unable to attend. Registration can be made by completing the registration form below and mailing it with your payment or register online at www.1199seiu.org and use **PAYPAL**, Upcoming Events to register for the desired seminar.

Non-1199 Licensed Professionals or **1199 members who work at Non- RNTJSF contributing institutions** are welcome, at a **Non-Refundable** fee of **\$50** in advance per seminar.

The registration form must be completed and mailed with a check or money order for the specified amount to:
1199 League of Registered Nurses P. O. Box 774, New York, N.Y. 10108

Any non-1199 RN or other licensed health professional that registers and pays the required fee but does not attend the registration may be rescheduled one time only. Refund will only be given if cancellations are made at least 10 business days in advance. If the registrant is a "no show" twice, the registration fee will be forfeited.

We do not accept telephone registrations. Walk-ins will be accepted based on space availability and on a first come first serve basis so please call first to see if there's a space available before walking-in.

CONFIRMATION:

A written confirmation will be mailed to you however, we assume no responsibility for you not showing up in a timely manner. It is the registrants' responsibility to confirm attendance, date, time and location. If you have not received a letter via mail or an email, please call for confirmation of your registration.
