The 1199SEIU League of Registered Nurses, Office of Continuing Education is accredited as a provider of Continuing Nursing education by the American Nurses Credentialing Center's Commission on Accreditation

*1199 SEIU League of Registered Nurses Office of Continuing Education fosters the professional growth and development of its RN members and the nursing community at large. We are committed to providing quality need-specific continuing education programs that are reflective of current issues and trends in healthcare and nursing.*

#### PURPOSE:

This seminar is offered to meet the training requirements of Chapter 544 of the Laws of 1988 that states that all physicians, chiropractors, dentists, registered nurses, podiatrists, optometrists, psychologists and dental hygienists must provide documentation of having completed two hours coursework or training about the identification and reporting of child abuse and maltreatment to obtain or renew a license. The target audience are registered nurses and other licensed professionals who require this training.

#### DISCLOSURE:

This educational activity is being offered with no commercial or financial support from any entity or agency. In addition, there are no conflicts of interest on the part of the faculty as well as the planner of this educational activity, including and extending to family members and any commercial entity. Finally, no off-label uses of any kind are involved in this educational offering.

#### Your Instructor:

***Valentina Lavarias-Dayrit, MA, RN***

- Based on New York State Department of Education's requirement, you will need to have your license number with you in order to complete the NYSDE Certificate of Completion form, which will be given to you during class to be completed and returned to us for processing.
- We do not issue Certificates of Completion for partial attendance or for any forms mailed in after the seminar. Participants must attend the entire class to meet the State Department of Education requirements and to earn the contact hours.

#### At the end of this program, participants will be able to:

- ❖ Define what constitutes "Abuse", "Maltreatment" and "Neglect" according to NY State law
- ❖ Distinguish among various behavioral and environmental characteristics of abusive caretakers and the children they abuse.
- ❖ Identify physical finding of abuse, maltreatment and /or neglect
