How to fill out the comment form:

- 1) Start the comment by writing the reason you think the public charge rule is a bad idea. For example:
"I oppose the public charge rule because it will keep families from receiving medical care."
- 2) Include a short sentence about why it's important for people to have medical care. For example:
"Everyone needs healthcare to stay healthy, strong and continue contributing to their community. When people with diabetes, AIDS/HIV or other illnesses don't receive the health care they need, they, their families and the community suffer."
- 3) Add, if you can, a personal note about how you or someone you know relied on certain programs in the past and are now successful. For example:
"I remember my sister using Medicaid to control her asthma during a time when her husband was unemployed. It kept her healthy and able to focus on her career goals."
- 4) End your comment by signing your name.

THANK YOU FOR STANDING UP FOR FAMILIES AND OUR COMMUNITIES.
