

# CONGRATULATIONS TO OUR ELECTED OFFICIALS!

On Tuesday, November 6th, Election Day, we made our voices heard. Across the state, the power of our union was on full display as members canvassed and called their neighbors, provided rides to the polls, and voted.

Of the 32 candidates we endorsed, we were victorious in helping elect 24 champions (names bolded in the list below) who share our values and care about the issues that impact our industry and communities. Our ability to elect healthcare champions advances our issues agenda and achieves broader social and economic justice.
