Daniel “Dan” Caprara

Dan Caprara is a labor leader who has fought to win fair wages and benefits for countless working people. Dan was a champion for his fellow members during the Verizon strike. He is committed to social justice and is standing up against the hatred and violence that is sweeping across our country.

After working as an electrician and union activist for more than a decade, Daniel became Legislative and Political Coordinator for CWA Local 1107. Like many of us, he has lobbied state legislators on issues like the minimum wage increase and paid family leave – because he is standing up for fairness for all working people.

Dan has dedicated many years to community service, which includes working as a mentor with Big Brothers & Big Sisters, helping build a community center for veterans and delivering meals to the elderly and those living in poverty.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in Clarkstown, who will stand up for equality and economic security, so our families and communities can thrive.

**Let's elect Daniel “Dan” Caprara to the Clarkstown Council,
so he can be a voice on behalf of our families.**
