Todd Baxter

FOR MONROE
COUNTY SHERIFF

Todd Baxter is a longtime law enforcement leader who is committed to making our neighborhoods safer, giving non-violent offenders a second chance and protecting crime victims. Todd joined with us at our 1199SEIU Peace and Unity Prayer event, where people with diverse backgrounds came together to address violence and hatred.

Todd is committed to reaching out and building coalitions to improve relations between the police and our communities. He has developed a plan to utilize technology so that emergency responders, law enforcement and others can communicate with each other to help address the use of opioids, which have killed hundreds in our area.

Todd supports measures that ensure all people are treated fairly. Todd works with the Rochester Leadership Academy Youth Development Employment Committee to mentor young people and help them find jobs. He has also volunteered many hours working to help keep retirees active in our communities.

He has more than two decades of experience in law enforcement, and is a veteran of the U.S. Army.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders like Todd Baxter, who will stand up for equality and economic security, so our families and communities can thrive.

**Let's elect Todd Baxter as Monroe County Sheriff,
a powerful voice on behalf of our families.**
