## Bill Boland

FOR MAYOR OF CORNING

**Bill Boland understands how hard we work to pay the bills and make ends meet at home. He will support us in our efforts to ensure that 1199 members and all working people have livable wages and affordable benefits, so that we are able to take care of our families.**

Bill knows we need safe neighborhoods, affordable housing and well-maintained streets and roads. We can count on him to protect our hard-earned tax dollars, while maintaining senior citizen services and the community programs that Corning's families depend on. Bill will work with us and the community to address the increasing number of hospital patients of all ages we treat for problems related to opioid abuse, especially young people.

## Hilda Lando

FOR STEUBEN COUNTY LEGISLATURE, DISTRICT 2

**Hilda Lando has been a strong advocate for our children and families, and is a member of the legislature's Human Services, Health and Education Committee. She is committed to addressing poverty, helping working people make ends meet, and fairness for all.**

Hilda is fighting to preserve funding for community programs, especially for seniors and young people. She helps protect funding for the Corning Youth Center, which provides needed after school programs. Hilda supports the backpack program – which addresses hunger by giving children food to eat over the weekend, while they don't have access to school meals.

**The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in Steuben County, who will stand up for equality and economic security, so our families and communities can thrive.**
