Mark Grozio

NIAGARA COUNTY LEGISLATURE, DISTRICT 3

Mark Grozio has been a member of the International Brotherhood of Electrical Workers Local 237 for decades. He is currently the union's Assistant Business Manager and a member of the Labor Management Committee – fighting to give workers a voice on the job.

Mark is working to keep jobs in our state, and ensure that local workers are the first hired for taxpayer-funded projects. He is fighting to expand access to low-cost power, which would allow working families to keep more of what we earn. Throughout three terms as our county legislator, Mark has helped protect social services, veteran and senior programs, and secure the lowest property taxes in a decade.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in Niagara County, who will stand up for equality and economic security, so our families and communities can thrive.
