

# Our 1199SEIU Islip Team

## Tim Sini

FOR SUFFOLK COUNTY DISTRICT ATTORNEY

**Tim Sini worked as Suffolk County Police Commissioner and as a federal prosecutor – making our neighborhoods safer, and mentoring at-risk youth to provide opportunity and hope for the future.**

Tim Sini is dedicated to upholding justice for all by encouraging police and our communities to work together. He supports programs that ensure all people are treated fairly, and is fighting to take away illegal guns and make our streets safer.

## Jason Fenley

FOR ISLIP TOWN COUNCIL

**Jason Fenley is a community leader who many of us know; when 1199 healthcare workers and members of the Long Island Federation of Labor make our voices heard, he is right there, speaking out with us.**

As a Town of Islip Council member, Jason wants to build a better future by helping create good local jobs to improve Islip's economy and quality of life. Along with local businesses and area residents, Jason was an opponent of the Bay Shore parking meter plan.

## Errol Toulon Jr.

FOR SUFFOLK COUNTY SHERIFF

**Errol Toulon Jr. is a longtime law enforcement leader who is committed to improving public safety, giving non-violent offenders a second chance and protecting crime victims.**

Errol Toulon Jr. is a former corrections officer and captain who went on to serve as the Assistant Deputy County Executive for Public Safety for Suffolk County. Errol has a special certification in hate crimes, and will work to mitigate violence in our communities.

## Samuel Gonzalez Jr.

FOR ISLIP TOWN COUNCIL

**Sam Gonzalez, a former union organizer, is now the President of IBEW Local 1430. He has dedicated his life to standing up for fair wages, good benefits and a voice on the job for workers. He knows the importance of a collective bargaining agreement in the workplace.**

Sam is committed to working together with our communities. He fought to re-open Roberto Clemente Park in Brentwood, and continues to make sure that it is safe and accessible for families. He is fighting for pay equity for women, and social justice for all people.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in Islip, who will stand up for equality and economic security, so our families and communities can thrive.
